

Cell Migration Data Standardization Workshop

2 - 3 March 2016

Ghent, Belgium

Registration, including all meals, is free of charge

This workshop focuses on developing data standards for the field of cell migration. Through funding provided by the EC H2020 project MULTIMOT, registration to the workshop is free.

This workshop will also see the establishment of [an organization](#) to coordinate this standardization work in the future, and this will involve the election of volunteers to take on leading in this organization. A manuscript will be written on the outcome of the workshop.

The participation to the workshop is free for all attendees, but do note that participants will have to pay for their own transport and accommodation. Concerning accomodation, we negotiated the below special rates with [Hotel Ibis Opera](#). *Make sure to mention the 'CMSO' code with your booking to benefit from this rate.*

- Single room: € 90 per night (tax and breakfast included)
- Double room: € 108 per night (tax and breakfast included)

For additional info, see [the workshop web page](#).

Please register via the online [registration form](#) before 15 February 2016:
